AHMC Healthcare chooses Contract Insight to organize and renew their agreements on time.

AHMC was formed in 2004 and consists of six comprehensive acute care facilities located in the San Gabriel Valley area. Since 2004 AHMC has grown to a total of over 1,000 beds with over 7,000 employees and over 3,000 physicians who are committed to providing the highest quality, most compassionate care for the community.

Issues AHMC Healthcare was facing that required them to seek a contract management solution

AHMC was finding it challenging to keep up with renewing their agreements in a timely manner without facing any approval issues. AHMC was also finding that the various departments of their organization were not tracking when agreements were expiring which was causing delays.

Why AHMC Healthcare chose CobbleStone Systems Contract Insight Contract Management Software

When asked this question Irene of AHMC stated, "Our IT department director had used CobbleStone in the past and recommended it to me. He said it was an excellent system and I agree." She also went on to say that the customer service support is incredible. There was never a time she was not able to reach her customer service representative when needed, even once on a Sunday afternoon.
