

Customer Case Study

Vertical Screen chooses Contract Insight to store and track their contracts efficiently.

Vertical Screen is one of the world's leading applicant screening firms. They operate through three subsidiaries- Business Information Group, Certiphi Screening and Truescreen, as well as a sister company, Fieldprint. Vertical Screen serves the largest and most respected institutions, organizations, corporations, and government entities worldwide.

Issues Vertical Screen was facing that required them to seek a contract management solution

Vertical Screen was looking for a system that could store and retrieve a large volume of digitized contracts efficiently. They also needed to track expiration dates and the receipt of a contracts original copy. Searching and reporting on a variety of contract parameters was also needed for Vertical Screen to manage their contracts more effectively.

Why Vertical Screen chose CobbleStone Systems Contract Insight Contract Management Software

CobbleStone Systems Contract Insight had all of the features that Vertical Screen was looking for in a software solution at a competitive price. Nancy a Corporate Paralegal for Vertical Screen stated, "The system was easily customizable by us and it was easy to learn to navigate through the system." Vertical Screen checked about a half dozen references and was informed by all of them that the support that came with the system was excellent, and they have found this to be true.

The benefits of CobbleStone Systems Contract Insight Contract Management Software according to Vertical Screen

CobbleStone's software makes is easy to retrieve agreements. Nancy also stated, "The full text searching is great and the email alerts for expiration
