## ***El Paso County, Texas chooses Contract Insight to centralize the storing and tracking of their contracts.***

El Paso County, Texas Auditor's Office's mission is to provide financial information on the fiscal affairs of the government, support to the Commissioners Court, officials, department heads and the public with the highest level of integrity, professionalism, and emphasis on financial accountability. They aim to create and maintain an environment of sound fiscal management and efficient financial operations at all levels of county government.

## ***Issues El Paso County, Texas was facing that required them to seek a contract management solution***

Numerous missed expiration dates and grant requirements were two large factors that led El Paso County, Texas to seek a software system that could support in-depth, centralized contract management. They could no longer take risks with their contract deadlines, which was a problem they were trying to solve for decades. The lack of communication between departments and lackadaisical approval process made it even more difficult for El Paso County, Texas' deadlines to be met. They need a centralized repository where they could quickly and effectively find all of their contracts.

## ***Why El Paso County, Texas chose CobbleStone Systems Contract Insight Contract Management Software***

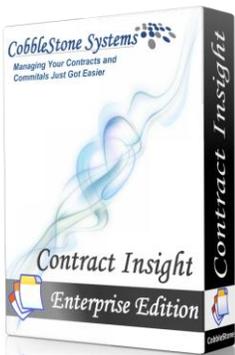

El Paso County, Texas chose CobbleStone Systems Contract Insight because of its great functionality that served their immediate needs. Contract Insight also provides for future expansion which was what they were looking for. Ed Hyatt, a Contract Administration Manager for El Paso County's Auditor's Office, stated, "CobbleStone provides excellent customer services and overall responsiveness to client needs." Ed also felt CobbleStone's software was competitively priced.
