CobbleStone Systems' Contract Insight Enterprise

Benefits:

- Functionality
- Accessibility
- Performance

“We felt that CobbleStone Systems Contract Insight provided the elements that we were looking for in a database...”

*Richard Wanne
~ County of San Diego,
Health & Human Services
Agency Director of Agency
Contract Support*

County of San Diego, Health & Human Services Agency chooses Contract Insight to integrate a unified service-delivery system.

The Health and Human Services Agency of San Diego County (San Diego County HHS) is one of five groups of the San Diego government. The Agency provides a broad range of social and health related services, promoting self-sufficiency, wellness, and an overall better quality of life for the individuals and families of San Diego County. San Diego County HHS integrates health and social services through a unified service-delivery system that is family focused and community-based.

Issues the County of San Diego, Health & Human Services Agency was facing that required them to seek a contract management solution

San Diego County HHS was in need of a web-based database that would be easily reliable and accessible to be manipulated and administered by San Diego County Staff. San Diego County HHS had to obtain a system that could handle a high volume of data without slowing or hampering of the systems performance. They also needed flexibility, allowing for easy expansion and added functionality.

Why the County of San Diego, Health & Human Services Agency chose CobbleStone Systems Contract Insight Contract Management Software

“CobbleStone Systems Contract Insight provided the elements we were looking for in a database,” said Richard Wanne, County of San Diego Health & Human Services Agency Director of Agency Contract Support. CobbleStone Systems was able to meet all of their needs by providing web-based, reliable software that was able to handle a large amount of data with flexibility that would allow for expansion.
